Nikai Group

A History of Reliability

The Nikai group of companies today stands tall on a foundation of trust, built right from our inception in 1995. Every step of the way, we gave our customer true value in terms of product and service. What started out as a trading enterprise (Crescent General Trading) has grown into a global conglomerate with business interests in information Technology, Outsourcing, Electronics and Appliances, to name a few.

Nikai Total Home Solutions: With an impressive offering of over 400 products, available in 80 countries around the world, Nikai has created a unique niche in an altogether new category of 'Total Home Solutions'. From the smallest appliance to high-end LEDs, Nikai takes great pride in offering the entire range at a price that is reasonable. Manufactured under strict quality controls, coupled with exceptional product design and service, the brand towers over competition on the strength of these pillars.

Vision: To build a diversified global business house providing reliable products and exceptional service offering superior value to our customers.
